

**UNITED NATIONS
ECONOMIC COMMISSION FOR EUROPE**

COMMITTEE ON ECONOMIC COOPERATION AND INTEGRATION

**Team of Specialists on Public-Private Partnerships
Sixth session**

23-24 June 2014, Palais des Nations, Geneva, Switzerland
Room XVII

Provisional Programme

The Team of Specialists on Public-Private Partnerships (TOS PPP) is an intergovernmental body established in 2007 that comprises over 2000 experts coming from the public and private sector. On 23-24 June 2014 the TOS PPP sixth session will focus on the development of international standards on PPPs. The UNECE Committee on Economic Cooperation and Integration (CECI) has given a mandate to TOS PPP and the UNECE International PPP Centre of Excellence to develop international PPP standards in areas with strong UN development objectives, including health, water and sanitation, ICT, roads, and renewable energy, and on transparency in procurement and zero tolerance to corruption. The seven steps by which standards will be developed and approved are found in the Annex.

Day 1 | Monday, 23 June 2014 (Room XVII)

10:00-10:20 Opening of TOS PPP, adoption of agenda and Elections of Officers

**10:20-11:00 Developing international standards in PPPs:
Keynote Speakers**

- **Michael Møller**, Acting Executive Secretary, UNECE
- **Jan Hendrik Dronkers**, Director General, Ministry of Infrastructure, the Netherlands
- **Marc Steiner**, Transparency International, Switzerland
- **Elaine Dezenski**, World Economic Forum

11:00-13:00

Session I (a): Developing principles on Zero Tolerance to Corruption in PPP procurement

Developing principles on Zero Tolerance to Corruption in PPP procurement

Input

A project proposal has been prepared for review by TOS PPP to address this challenge.

*Stage 1 of the Open and transparent UNECE PPP standard development process in the Annex.

Issues

- i. What is the scope of the challenge in PPPs?
- ii. Are existing international and national anti-corruption measures sufficient to curb corruption in PPPs?
- iii. At what stages in the project life-cycle are the risks of corruption the highest?

Output

Comments on the project proposal with a view to its possible approval.

Next Steps

The Project Team on Zero Tolerance to Corruption will prepare a draft standard on zero tolerance to corruption in PPP procurement.

Project Team Discussion

- **Marc Frilet**, Project Leader, UNECE Project Team on developing a standard on zero tolerance to corruption in PPP procurement
- **Doris Chevalier**, Project Financing, Alstom Transport, France
- **Steven Van Garsse**, PPP Unit of the Flemish Government, Belgium

The effect of corruption on PPP projects

- **Thomas Frankl**, Managing Partner and CEO, Airport Development Partners, Switzerland

Support from the PPP Business Advisory Board

- **Gavin Munro**, UNECE PPP Business Advisory Board (BAB)

Q&A

13:00-15:00 Lunch Break

15:00-16:00

Session I (b): Implementing principles on Zero Tolerance to Corruption

Implementing principles on Zero Tolerance to Corruption

Input

A project proposal to develop a comprehensive and innovative scheme to implement principles on zero tolerance to corruption will be presented as a project document for review by TOS PPP.

*Stage 1 of the Open and transparent UNECE PPP standard development process in the Annex.

Issues

- i. Can 'incentives' to Governments be a way to improve transparency in PPP transactions?
- ii. What sort of form could such an incentive scheme take?
- iii. How could it be implemented and managed?

Output

Comments on the project proposal with a view to its possible approval of developing an implementation scheme will be explored.

Next Steps

Prepare a draft implementation scheme

Panel Discussion

- **Syed Zaidi**, Project Leader, UNECE Project Team on implementing zero tolerance to corruption
- **Mike Redican**, Managing Director, Deutsche Bank, United Kingdom
- **Shyamala Shukla**, Senior Infrastructure Finance and PPP Consultant, the World Bank
- **Dmitry Berezovski**, Head of PPP Unit, Belarus

Q&A

16:00-18:00

Session II: Putting PPPs at the heart of a Health Policy for universal coverage

PPPs in Health Policy

Input

A project proposal is presented for discussion, that outlines a template of a health policy where PPPs will play a role, identifying the key issues (objectives, institutions, financing and appropriate PPP models)
* Stage 1 of the Open and transparent UNECE PPP standard development process in the Annex.

Issues

- i. How can PPP be used optimally to promote national health objectives?
- ii. What are the means that can ensure effective implementation of PPP?
- iii. What are the best models of PPPs – hospitals, diagnostics centres, clinics etc – that can achieve national health objectives and UN Development Goals?

Output

A revised project document.

Next Steps

The revised document will be submitted to the bureau of the TOS PPP for review.

Panel Discussion

Moderator: *Jan van Schoonhoven*, UNECE

Panellists:

- **Abu Rashed**, PPP Office, Office of the Prime Minister, Bangladesh
- **Peter Ward**, Project Leader, UNECE Project Team on PPPs in health policy
- **Paul da Rita**, Head of Global Health PPP Advisory, IFC
- **Marc Halliday**, UNECE PPP Business Advisory Board
- **Daniel Acuna**, Adviser to the Director General, World Health Organization

Q&A

Day 2 | Tuesday, 24 June 2014 (Room XVII)

10:00-11:00

Session III: International PPP standards in different sectors

International PPP standards in different sectors

Input	Issues	Output
Results of the questionnaire on the need of international PPPs standards in different sectors	<ol style="list-style-type: none">i. What are the sectors where the ICoE development of international PPP standards should focus?ii. What elements should be included in the format of an international PPPs standard for a given sector?iii. What are the priority standards that the ICoE should develop in the next two years?	List of international PPPs standards to be developed in 2014 - 2015
		Next Steps Call of proposal for project teams and project leaders for the development of the identified international PPP standards

Presentation on the 'Process of Developing Standards at UNECE'

- **Virginia Cram-Martos**, Director, Economic Cooperation, Trade, Land Management Division, UNECE

Results of the questionnaire

- **Geoffrey Hamilton**, Chief, Economic Cooperation and Partnership Section, UNECE

Q&A

11:00-12:30 Follow-up discussion on the PPP option to renovate the Palais des Nations: Views of the PPP Business Advisory Board¹

- **Geoffrey Hamilton**, UNECE recommendations to UNOG on the feasibility of using PPPs for the renovation of the Palais des Nations
- **Sam Tabuchi**, summary of the study by Toyo University in Japan to UNOG on "Alternative project approach and funding"
- **Karan Mangroo**, Land Lease UK, "How PPPs can 'transform' the Palais des Nations into a 21st century conference-centre building: the experience of the UK Treasury"
- **Guy Perry**, Executive Director, Buildings, AECOM

¹ UNECE PPP Business Advisory Board was established by the UNECE Executive Committee at its sixty-eight meeting.

Panel Discussion with members of the UNECE PPP Business Advisory Board: Is there private sector appetite in the project?

Bruno de Cazalet, Former Senior Partner at Gide Loyrette Nouel

Pedro Neves, Andrade Gutierrez

Bill Banks, Ernst & Young

Julie de Brux, Vinci Concessions

Rainier d'Haussonville, Veolia

Touraj Etezady, Marti Invest

Markus Schmidt, Senior Legal Counsel, UNOG

Q&A

12:30-13:00 **Review of the work of the Team since the fifth session on 5-6 February 2013**

13:00-15:00 **Lunch Break**

15:00-18:00 **Implementation plan for the rest of 2014 and proposals for the work plan for 2015**

Development of PPP standards:

- Decision on the overview of the work of the UNECE International PPP Centre of Excellence in preparing international standards in PPPs ([Conference Room Paper 1](#))
- Decision of the three Project Proposals discussed in Day 1

Presentation of new initiatives and on-going activities:

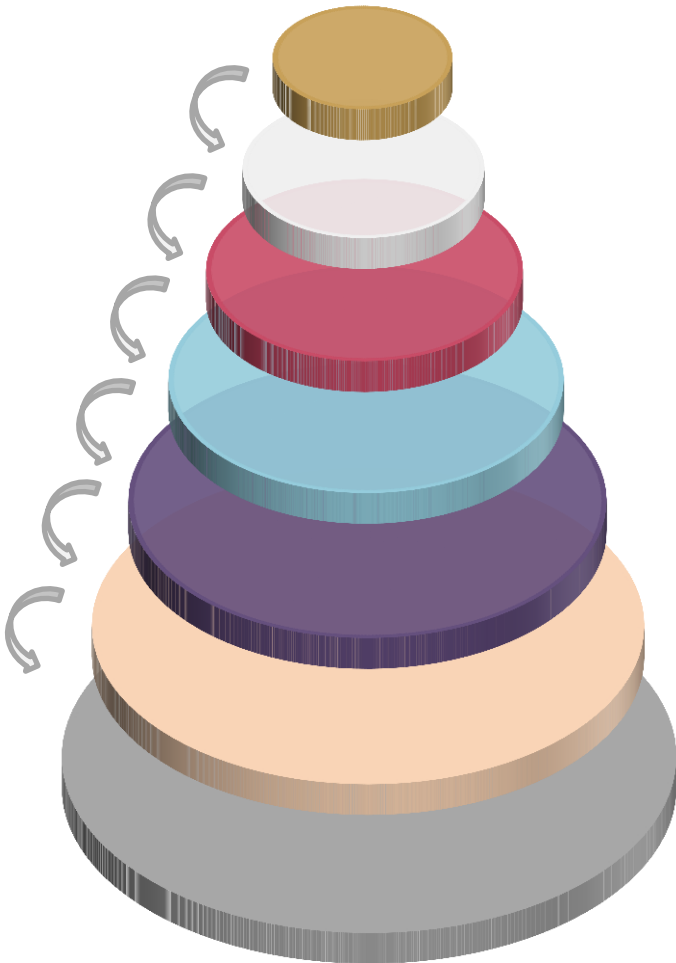

- Indicative work plan and source of extra-budgetary funding of the PPP Business Advisory Board for 2014 and 2015
- Programme report on the Specialist Centre on Water and Sanitation
